REF: SOFTWARE ENGINEER ATTACHEE

To: Hiring Manager, Kenya Revenue Authority(KRA)

I am submitting my resume seeking for an attachment opportunity as a software engineer at Kenya Revenue Authority. Given the skills and experience outlined in my enclosed resume, I believe I will be a worthy asset to your team.

I am looking for an opportunity to apply my skills and abilities to a challenging, growth-oriented position with a leading Government Organization like The Kenya Revenue Authority while continuing to build my academic foundation.

Previously, in my Software Engineer role, I exercised a calculated and methodical approach to problem solving. I am independently motivated, yet I appreciate team efforts and collaborate productively within groups. Additionally, I am knowledgeable in programming and software testing with proficiency in software development.

Because my professional goals align with Kenya Revenue Authority's mission and values, this opportunity is especially exciting. I believe my leadership, communication and management abilities will support and drive your continued organizational success.

To demonstrate the scope of my career history and professional competencies, please take a moment to review my attached resume and also my website <https://Daniel-maina.netlify.app>. I appreciate your evaluation of my credentials and subsequent response.

Regards,

Daniel Maina
